

# Statesville Stained Glass, Inc.

Since 1975, Statesville Stained Glass, Inc., has been designing, fabricating and installing both leaded and faceted stained glass windows all across the U.S. and in many foreign countries. Statesville Stained Glass, Inc., also designs, fabricates and installs aluminum frames and ventilators sized to meet specific architectural designs.

Statesville Stained Glass, Inc., is committed to providing the liturgical community with unsurpassed quality in design and craftsmanship. Each stained glass window is a custom design; each window clearly shows our commitment to provide and install only superior quality in design and workmanship. Our artists and craftsmen take special pride in knowing that the artistry they are providing will be enjoyed and revered for generations to come.

Statesville Stained Glass, Inc., is an award-winning art glass studio that is highly respected in the industry, not only by our clients, but also by architects, contractors and our peers. Statesville Stained Glass, Inc., is an accredited member of the Stained Glass Association of America.

Statesville Stained Glass, Inc. welcomes the opportunity to come and meet with you and discuss all of your stained glass requirements.
